

# CITRUS MILK BATH

EXCITE. ENERGIZE. REFRESH.

## WHAT IT IS

Invigorating warm-oil soak that transforms into a milky moisture bath to begin the service with an exhilarating feel.

## WHAT IT DOES

- Deeply conditions skin and nails with vitamin E, grape seed and jojoba oils.
- Transforms into a hydrating, milky soak with the addition of equal parts warm water.

## WHY YOU NEED IT

- Softens and deeply conditions the nails and eponychium at the beginning of a manicure service.
- Provides the first step to natural nail care.

## FEATURED INGREDIENTS & BENEFITS

### Vitamin E (Tocopheryl Acetate):

Antioxidant known to neutralize free radicals associated with premature aging of the skin; softens and moisturizes.

### Grape Seed Oil (Vitis Vinifera):

Contains nutrients and provides light conditioning with essential fatty acids, vitamins, minerals and protein. Has mild astringent qualities to help firm and tone skin. Good antioxidant.

### Jojoba Seed Oil (Simmondsia Chinensis):

Deeply penetrating natural oil for excellent moisturizing and conditioning. Jojoba oil acts like a carrier to increase penetration of other ingredients.

### Citrus Oil Blend:

Effective skin toner to help maintain healthy, smooth skin. Good antioxidant.

## DIRECTIONS FOR USE

- Fill a bowl with warm water and place a second, smaller bowl inside. Add 1 oz of Citrus Milk Bath in bowl to warm.
- Soak fingers of both hands for 1-2 minutes.
- Add 1 oz warm water to create a milky solution and have client swirl fingers to mix.
- Rinse hands one at a time in bowl using a facial sponge to thoroughly cleanse.
- Dry with a towel.

CND offers comprehensive education opportunities. Check the education section of [cnd.com](http://cnd.com) for a course near you.

## CREATIVE SUGGESTIONS

- As an alternative, use a professional lotion heater to gently warm milk bath.
- For dry, brittle nails, soak prior to trimming length and shaping.

## INGREDIENT LISTING

Helianthus Annuus (Sunflower) Seed Oil, Vitis Vinifera (Grape) Seed Oil, Laureth-4, PPG-5-Ceteth-10 Phosphate, Polysorbate 60, Simmondsia Chinensis (Jojoba) Seed Oil, Sorbitan Oleate, Tocopheryl Acetate, Polysorbate 20, Parfum (Fragrance), Oleth-5, Cymbopogon Schoenanthus Oil, Citrus Aurantifolia (Lime) Oil, Citrus Aurantium Dulcis (Orange) Oil, Litsea Cubeba Fruit Oil, Linalool, Citral, Limonene, Geraniol, CI 61565 (Green 6).

## AVAILABLE SIZES

- Retail/Professional: 236 mL (8 fl oz)
- Professional: 975 mL (33 fl oz)

# CITRUS MOISTURE SCRUB

EXCITE. ENERGIZE. REFRESH.

## WHAT IT IS

Luxuriant treatment of citric acid, grape seed oil, fine salts and refined sugar cane that gently polishes and deep-conditions hands.

## WHAT IT DOES

- Physically exfoliates dead skin cells with finely milled salts, sugar cane and jojoba soft beads.
- Citric acid chemically exfoliates to slough away dead skin cells.
- Deeply conditions and softens skin with grape seed oil, jojoba oil, shea butter and vitamin E.

## WHY YOU NEED IT

- Leaves skin with a soft, luminous glow.
- Allows hands to better absorb Citrus Illuminating Masque and Citrus Hydrating Lotion.

## FEATURED INGREDIENTS AND BENEFITS

### Grape Seed Oil (*Vitis Vinifera*):

Contains nutrients and provides light conditioning with essential fatty acids, vitamins, minerals and protein. Has mild astringent qualities to help firm and tone skin. Good antioxidant; antioxidants neutralize free radicals associated with premature aging of the skin.

### Sucrose:

Raw cane sugar that can be used as a physical exfoliant.

### Citric Acid:

Naturally occurring alpha-hydroxy acid. Citric acid is produced from citrus fruits, such as oranges and lemons. Also used to pH balance products.

### Mineral Salts (Sodium Chloride/Silica Dimethicone Silylate):

Physical exfoliants that help purify and cleanse skin, leaving it more soft and supple.

### Jojoba Esters (Soft Beads):

"Melt" with natural body temperature when massaged into the skin to add extra conditioning.

### Jojoba Seed Oil (*Simmondsia Chinensis*):

Deeply penetrating natural oil for excellent moisturizing and conditioning. Jojoba oil acts like a carrier to increase penetration of other ingredients.

## DIRECTIONS FOR USE

- Apply a small amount to hands and gently massage for 1-2 minutes.
- Rinse hands with clean water or remove with a moist, soft sponge.
- Dry with a terry towel.

CND offers comprehensive education opportunities. Check the education section of [cnd.com](http://cnd.com) for a course near you.

## CREATIVE SUGGESTIONS

- Great for all-over body exfoliation.
- Recommend home use to maintain soft, silky skin.
- Affordable gift item; excellent retail opportunity.

## INGREDIENTS

Helianthus Annuus (Sunflower) Seed Oil, Sodium Chloride, Vitis Vinifera (Grape) Seed Oil, Silica Dimethicone Silylate, Cera Alba (Beeswax) (Cire D'Abeille), Butyrospermum Parkii (Shea) Butter, Sucrose, Citric Acid, Glyceryl Stearate, PEG-100 Stearate, Glyceryl Dibehenate, Simmondsia Chinensis (Jojoba) Seed Oil, Glyceryl Behenate, Tocopheryl Acetate, Polysorbate 60, Cymbopogon Schoenanthus Oil, Citrus Aurantium Dulcis (Orange) Oil, Litsea Cubeba Fruit Oil, Jojoba Esters, Citrus Aurantifolia (Lime) Oil, Tribehenin, Parfum (Fragrance), Geraniol, Citral, Limonene, Linalool, Butylparaben, Benzoic Acid, CI 47005 (Yellow 10), CI 61565 (Green 6).

## AVAILABLE SIZES

- Retail/Professional: 80 g (2.8 oz)  
445 g (15.7 oz)
- Professional: 908 g (32 oz)

# CITRUS ILLUMINATING MASQUE

EXCITE. ENERGIZE. REFRESH.

## WHAT IT IS

Lustrous hand masque with a firming peptide complex, citrus oils and grape seed oil that helps reduce visible signs of aging.

## WHAT IT DOES

- Deeply conditions skin with grape seed oil, jojoba oil and vitamin E.
- Cosmetic-grade mineral oil adds a protective layer during the treatment.

## WHY YOU NEED IT

- Elevates the manicure experience with a luxurious conditioning treatment.

## FEATURED INGREDIENTS AND BENEFITS:

### Vitamin E (Tocopheryl Acetate):

Antioxidant known to neutralize free radicals associated with premature aging of the skin; softens and moisturizes.

### Grape Seed Oil (*Vitis Vinifera*):

Contains nutrients and provides light conditioning with essential fatty acids, vitamins, minerals and protein. Has mild astringent qualities to help firm and tone skin. Good antioxidant.

### Jojoba Seed Oil (*Simmondsia Chinensis*):

Deeply penetrating natural oil for excellent moisturizing and conditioning. Jojoba oil acts like a carrier to increase penetration of other ingredients.

### Peptide Complex:

Helps increase natural collagen production, resulting in increased skin firmness.

### Citrus Oil Blend:

Effective skin toner to help maintain healthy, smooth skin. Good antioxidant.

### Mineral Oil (Cosmetic Grade):

Non-irritating, effective moisturizer that promotes hydration during treatment.

## DIRECTIONS FOR USE

- Apply a thin layer of the masque to the top of both hands and fingers. Wrap with warm towels or heated manicure mitts.
- After 3-5 minutes, remove towels/mitts and remove masque with clean water and a moist, soft sponge.
- Dry with a terry towel.

CND offers comprehensive education opportunities. Check the education section of [cnd.com](http://cnd.com) for a course near you.

## CREATIVE SUGGESTIONS

- Apply to hands with a disinfected facial applicator brush for a more refined service.
- As an alternative, use a professional lotion heater to gently warm masque and then drizzle on hands.

## INGREDIENTS

Paraffinum Liquidum (Mineral Oil) (Huile Minérale), Helianthus Annuus (Sunflower) Seed Oil, Isononyl Isononanoate, Ethylene/Propylene/Styrene Copolymer, Vitis Vinifera (Grape) Seed Oil, Oleth-5, Polysorbate 60, Dimethicone, Butylene/Ethylene/Styrene Copolymer, Butyrospermum Parkii (Shea) Butter, Simmondsia Chinensis (Jojoba) Seed Oil, Tocopheryl Acetate, Citrus Aurantifolia (Lime) Oil, Cymbopogon Schoenanthus Oil, Citrus Aurantium Dulcis (Orange) Oil, Litsea Cubeba Fruit Oil, Trisiloxane, Aqua (Water) (Eau), Quaternium-18 Hectorite, Butylene Glycol, Glyceryl Dibehenate, Synthetic Fluorphlogopite, Tribehenin, Ceteth-10, Glyceryl Behenate, Laureth-4, Titanium Dioxide, Arachidonic Acid, Linoleic Acid, Oleic Acid, Linolenic Acid, Ethylhexyl Palmitate, Palmitoyl Oligopeptide, Pentaerythrityl Tetraisoostearate, Propylene Carbonate, Tin Oxide, Silica Dimethicone Silylate, Silica Dimethyl Silylate, Sodium Hyaluronate, Caprylyl Glycol, Parfum (Fragrance), Citral, Geraniol, Limonene, Linalool, CI 60725 (Violet 2).

## AVAILABLE SIZES

- Retail/Professional: 73 g (2.5 oz), 378 g (13.3 oz)
- Professional: 765 g (27 oz)

# CITRUS HYDRATING LOTION

EXCITE. ENERGIZE. REFRESH.

## WHAT IT IS

Silky-smooth hand & body lotion blended with citrus and grape seed oils and black tea extract for younger-looking, more radiant skin.

## WHAT IT DOES

- Replenishes skin's natural oil.
- Locks moisture into skin.
- Helps repair damaged skin.
- Aromatherapeutic benefits provide a refreshing service.

## WHY YOU NEED IT

- Protects and helps defend skin against damaging effects of the environment.
- Helps restore skin to its natural suppleness and elasticity.
- Helps reduce visible signs of aging.

## FEATURED INGREDIENTS & BENEFITS

### Vitamin E (Tocopheryl Acetate):

Antioxidant known to neutralize free radicals associated with premature aging of the skin; softens and moisturizes.

### Grape Seed Oil (Vitis Vinifera):

Contains nutrients and provides light conditioning with essential fatty acids, vitamins, minerals and protein. Has mild astringent qualities to help firm and tone skin. Good antioxidant.

### Urea:

Increases absorption of active ingredients, relieves itching and softens skin. Recommended by many dermatologists for severe dry skin. Regarded as a true moisturizer rather than a humectant, as it attracts and retains moisture in the corneum (upper skin) layer.

### Citrus Oil Blend:

Effective skin toner to help maintain healthy, smooth skin. Good antioxidant.

## DIRECTIONS FOR USE

Massage into hands and arms until completely absorbed.

CND offers comprehensive education opportunities. Check the education section of [cnd.com](http://cnd.com) for a course near you.

## CREATIVE SUGGESTIONS

- Great for all-over body moisturizing.
- Use daily as needed for dry hands.
- Excellent retail opportunity; popular citrus scent makes this perfect for gift giving.

## INGREDIENT LISTING

Aqua (Water)(Eau), Cetearyl Alcohol, Glycerin, Helianthus Annuus (Sunflower) Seed Oil, Urea, Vitis Vinifera (Grape) Seed Oil, Butylene Glycol, Isopropyl Myristate, Caprylic/Capric Triglyceride, Simmondsia Chinensis (Jojoba) Seed Oil, Allantoin, Panthenol, Tocopheryl Acetate, Saccharomyces/Xylinum/Black Tea Ferment, Citrus Aurantifolia (Lime) Oil, Cymbopogon Schoenanthus Oil, Citrus Aurantium Dulcis (Orange) Oil, Litsea Cubeba Fruit Oil, Cyclopentasiloxane, Dimethicone, Cyclohexasiloxane, Cetyl Alcohol, Potassium Cetyl Phosphate, Disodium EDTA, Triethanolamine, Cetareth-20, Carbomer, Hydroxyethylcellulose, Sodium Hyaluronate, Behentrimonium Methosulfate, Parfum (Fragrance), Limonene, Citral, Geraniol, Linalool, Citronellol, Propylparaben, Phenoxyethanol, Butylparaben, Ethylparaben, Methylparaben, Isobutylparaben.

## AVAILABLE SIZES

- Retail/Professional: 236 mL (8 fl oz)
- Professional: 975 mL (33 fl oz)

# MARINE MINERAL BATH

(Formerly Sea Soak)

EXCITE. ENERGIZE. REFRESH.

## WHAT IT IS

Stimulating, cleansing mineral foot bath that reduces inflammation as it deodorizes and softens feet.

## WHAT IT DOES

- Cleanses and deodorizes feet.
- Hydrates and softens skin.
- Reduces inflammation.

## WHY YOU NEED IT

- Helps relieve discomfort of swollen feet.
- Provides aromatherapeutic benefits of natural eucalyptus and tea tree oil.

## FEATURED INGREDIENTS & BENEFITS

### Sea Salt:

Natural salt used for its therapeutic and anti-inflammatory properties. Salts increase the flow of water in and out of cells, in essence flushing and cleansing the cells. This facilitates the absorption of other ingredients into the cells.

### Tea Tree Leaf Oil (Melaleuca Alternifolia):

Cleansing, aromatherapeutic oil known to have antiseptic properties.

### Eucalyptus Globulus Leaf Oil:

Cleansing, aromatherapeutic oil known to have antiseptic properties.

### Sweet Almond Oil (Prunus Amygdalus Dulcis):

Softens and conditions, helps balance water loss and absorption. Soothes dry, irritated skin.

### Rice Bran Oil (Oryza Sativa):

Skin softener and conditioner.

### Vitamin E (Tocopheryl Acetate):

Antioxidant known to neutralize free radicals associated with premature aging of the skin; softens and moisturizes.

## DIRECTIONS FOR USE

- Stir contents and add 1 teaspoon to footbath.
- Agitate water to dissolve.
- Soak feet for 3-5 minutes.

CND offers comprehensive education opportunities. Check the education section of [cnd.com](http://cnd.com) for a course near you.

## CREATIVE SUGGESTIONS

- Use as a foot soak prior to all salon services.

## INGREDIENT LISTING

Maris Sal (Sea Salt) (Sel Marin), Eucalyptus Globulus Leaf Oil, Oryza Sativa (Rice) Bran Oil, Polysorbate 20, Silica, Prunus Amygdalus Dulcis (Sweet Almond) Oil, Tocopheryl Acetate, Melaleuca Alternifolia (Tea Tree) Leaf Oil, Cocoyl Sarcosine, BHT, CI 10316 (Ext. Yellow 7), CI 61570 (Green 5).

## AVAILABLE SIZES

- Retail/Professional: 510 g (18 oz)
- Professional: 2070 g (73 oz)

# MARINE SALT SCRUB

(Formerly Sea Salt Glow)

EXCITE. ENERGIZE. REFRESH.

## WHAT IT IS

Uplifting sea-salt scrub gently polishes and refines skin to a healthy glow.

## WHAT IT DOES

- Physically exfoliates with minerals and sea salts.
- Softens and conditions skin with sunflower oil.

## WHY YOU NEED IT

- Leaves skin with a radiant glow.
- Does not leave a greasy residue.
- Great for feet, legs and all-over body use.

## FEATURED INGREDIENTS & BENEFITS

### Salt (Magnesium Sulfate):

Epsom granules provide effective yet gentle physical exfoliation and help relieve inflammation when dissolved in water.

### Sunflower Seed Oil (*Helianthus Annuus*):

Softens and conditions.

### Vitamin E (Tocopheryl Acetate):

Antioxidant known to neutralize free radicals associated with premature aging of the skin; softens and moisturizes.

## DIRECTIONS FOR USE

- Stir contents before use. Dry the foot and lower leg. Smooth Marine Salt Scrub over entire foot, calf and shin.
- Gently massage into skin for 3-5 minutes. Rinse in footbath.
- Tested and approved for whirlpool tub use.

CND offers comprehensive education opportunities. Check the education section of [cnd.com](http://cnd.com) for a course near you.

## CREATIVE SUGGESTIONS

- Slightly dampen the skin if salt crystals feel too abrasive.
- Use as an all-over body scrub in the shower.
- Excellent retail opportunity.

## INGREDIENT LISTING

Magnesium Sulfate, Helianthus Annuus (Sunflower) Seed Oil, PEG-7 Glyceryl Cocoate, Silica, Maris Sal (Sea Salt) (Sel Marin), Tocopheryl Acetate, Parfum (Fragrance), Amyl Cinnamal, Benzyl Benzoate, Benzyl Salicylate, Citronellol, Geraniol, Hexyl Cinnamal, Hydroxycitronellal, Butylphenyl Methylpropional, Linalool, Hydroxyisohexyl 3-Cyclohexene Carboxaldehyde, CI 60725 (Violet 2).

## AVAILABLE SIZES

- Retail/Professional: 510 g (18 oz)
- Professional: 2126 g (75 oz)

# MARINE COOLING MASQUE

(Formerly Marine Masque™)

EXCITE. ENERGIZE. REFRESH.

## WHAT IT IS

Cooling, mineral clay foot masque with hydrating sea extracts and botanicals for soft, exhilarated feet.

## WHAT IT DOES

- Cools the feet with natural menthol.
- Draws moisture into the skin with panthenol.
- Helps calm inflammation and irritation.

## WHY YOU NEED IT

- Leaves feet refreshed long after pedicure is complete.
- Provides the aromatherapeutic benefits of natural spearmint oil.
- Provides a “facial-like” treatment for the feet.

## FEATURED INGREDIENTS & BENEFITS

### Bentonite:

Micro-fine clay that conditions and cleanses. Also used to thicken products.

### Spearmint Leaf Oil (*Mentha Viridis*):

Naturally derived oil used for its aromatherapeutic and cooling benefits.

### Chamomilla Recutita (*Matricaria*) Flower Extract:

Natural botanical agent known for its anti-inflammatory and anti-irritant properties. Effective in soothing skin.

### Algae (*Hypnea Musciformis* & *Sargassum Filipendula*) Extract:

Highly effective alpha-hydroxy acid (A.H.A.) blend derived from marine micro algae that deeply penetrates, exfoliates and moisturizes.

### Panthenol (Pro Vitamin B5):

Highly effective moisturizing and softening agent, known to improve skin elasticity.

### Sodium PCA:

Natural humectant found in healthy skin derived from the fermentation of cornstarch and used for its highly effective moisturizing properties. Absorbs quickly and increases the softness and elasticity of skin.

### Aloe Barbadensis Leaf Juice:

Known for its ability to hydrate and soften skin. Penetrates the skin, supplying moisture directly to the tissue.

### Glycerin:

Derived from vegetable oil; used for its powerful hydrating attributes. Absorbs quickly into the skin and acts like a moisture magnet by attracting water into the skin and holding it there.

## DIRECTIONS FOR USE

- Smooth a thin, even coat onto the foot and ankle using your hands.
- Wrap foot in a towel or bag and let sit for 5 minutes.
- To remove, immerse towel-covered foot into footbath and use to gently remove masque.
- Tested and approved for whirlpool tub use.

CND offers comprehensive education opportunities. Check the education section of [cnd.com](http://cnd.com) for a course near you.

## CREATIVE SUGGESTIONS

- Wrap feet in plastic baggies and cover with warm towels for an invigorating sensation.
- Excellent retail opportunity.

## INGREDIENT LISTING

Aqua (Water) (Eau), Bentonite, Glycerin, Aloe Barbadensis Leaf Juice, Sodium PCA, Propylene Glycol, Panthenol, Mentha Viridis (Spearmint) Leaf Oil, Menthol, Hypnea Musciformis Extract, Sargassum Filipendula Extract, Chamomilla Recutita (Matricaria) Flower Extract, Gellidiella Acreosa Extract, Sodium Coco PG-Dimonium Chloride Phosphate, Isostearamide MIPA, Stearamidopropyl PG-Dimonium Chloride Phosphate, Cetyl Alcohol, Caprylyl Glycol, Sclerotium Gum, Sorbitol, Lactic Acid, Glyceryl Laurate, Phenoxyethanol, CI 61570 (Green 5).

## AVAILABLE SIZES

- Retail/Professional: 552 g (19.5 oz)
- Professional: 2126 g (75 oz)

# MARINE HYDRATING OIL

(Formerly Massage Oil)

EXCITE. ENERGIZE. REFRESH.

## WHAT IT IS

Light, fragrant, hydrating oil that provides a perfect balance of glide and grip.

## WHAT IT DOES

Perfectly lubricates skin for an effective massage.

## WHY YOU NEED IT

- Leaves skin moisturized and glowing.
- Provides the aromatherapeutic benefits of ylang ylang.

## FEATURED INGREDIENTS & BENEFITS

### Ylang Ylang Flower Oil (Cananga Odorata):

Aromatherapeutic oil known to have antiseptic properties.

### Rice Bran Oil (Oryza Sativa):

Skin softener and conditioner.

### Jobba Seed Oil (Simmondsia Chinensis):

Deeply penetrating natural oil for excellent moisturizing and conditioning. Jojoba oil acts like a carrier to increase penetration of other ingredients.

### Vitamin E (Tocopheryl Acetate):

Antioxidant known to neutralize free radicals associated with premature aging of the skin; softens and moisturizes.

### Caprylic/Capric Triglyceride:

Oil derived from coconuts. Used for its non-greasy texture as well as its smoothing and softening features.

## DIRECTIONS FOR USE

- Apply a small amount into palms of hands and massage entire foot and lower leg.
- After massage, wipe excess product from bottom of foot.

CND offers comprehensive education opportunities. Check the education section of [cnd.com](http://cnd.com) for a course near you.

## CREATIVE SUGGESTIONS

- Add a few drops to a bath or use daily after shower for light body moisturizing.
- Use on legs after waxing to leave skin smooth and remove waxy residue.
- Great for all-over body massage.
- Excellent retail opportunity.

## INGREDIENT LISTING

Caprylic/Capric Triglyceride, Oryza Sativa (Rice) Bran Oil, Simmondsia Chinensis (Jojoba) Seed Oil, Tocopheryl Acetate, Cocos Nucifera (Coconut) Oil, Cananga Odorata Flower Oil, Fucus Vesiculosus Extract, Parfum (Fragrance), Linalool, Benzyl Benzoate, Benzyl Salicylate, Benzyl Alcohol, Eugenol, Geraniol, Isoeugenol, Farnesol, Butylparaben, Isopropylparaben, Isobutylparaben.

## AVAILABLE SIZES

- Retail/Professional: 236 mL (8 fl oz)
- Professional: 975 mL (33 fl oz)

# ALMOND MILK BATH

ESCAPE. EXHALE. RELAX.

## WHAT IT IS

Warm-oil hand soak that transforms into a nourishing, milky bath to begin the service with an indulgent feel.

## WHAT IT DOES

- Deeply conditions skin and nails with sweet almond oil, jojoba oil and vitamin E.
- Transforms into a hydrating, milky soak with the addition of equal parts warm water.

## WHY YOU NEED IT

- Softens and deeply conditions the nails and eponychium at the beginning of a manicure service.
- Provides a beautiful ritual for your clients.

## FEATURED INGREDIENTS & BENEFITS

### Sweet Almond Oil (*Prunus Amygdalus Dulcis*):

Softens and conditions, helps balance water loss and absorption. Soothes dry, irritated skin.

### Jobaba Seed Oil (*Simmondsia Chinensis*):

Deeply penetrating natural oil for excellent moisturizing and conditioning. Jojoba oil acts like a carrier to increase penetration of other ingredients.

### Vitamin E (Tocopheryl Acetate):

Antioxidant known to neutralize free radicals associated with premature aging of the skin; softens and moisturizes.

### Laureth-4:

Coconut-derived surfactant.

## DIRECTIONS FOR USE

- Fill a bowl with warm water and place a second, smaller bowl inside. Add 1 oz of Almond Milk Bath in bowl to warm.
- Soak fingers of both hands for 1-2 minutes.
- Add 1 oz warm water to create a milky solution and have client swirl fingers to mix.
- Rinse hands one at a time in bowl using a facial sponge to thoroughly cleanse.
- Dry with a towel.

CND offers comprehensive education opportunities. Check the education section of [cnd.com](http://cnd.com) for a course near you.

## CREATIVE SUGGESTIONS

- As an alternative, use a professional lotion heater to gently warm milk bath.
- For dry, brittle nails, soak prior to trimming length and shaping.

## INGREDIENT LISTING

Helianthus Annuus (Sunflower) Seed Oil, PPG-5-Ceteth-10 Phosphate, Prunus Amygdalus Dulcis (Sweet Almond) Oil, Laureth-4, Polysorbate 60, Parfum (Fragrance), Oleth-5, Simmondsia Chinensis (Jojoba) Seed Oil, Tocopheryl Acetate.

## AVAILABLE SIZES

- Retail/Professional: 236 mL (8 fl oz)
- Professional: 975 mL (33 fl oz)

# ALMOND MOISTURE SCRUB

ESCAPE. EXHALE. RELAX.

## WHAT IT IS

Fine mineral salts, refined sugar, jojoba soft beads and sweet almond oil gently polish and super-condition skin.

## WHAT IT DOES

- Physically exfoliates dead skin cells with finely milled salts, refined sugar and jojoba soft beads.
- Deeply conditions and softens skin with sweet almond oil, jojoba oil, shea butter and vitamin E.

## WHY YOU NEED IT

- Leaves skin with a soft, luminous glow.
- Allows hands to better absorb Almond Illuminating Masque and Almond Hydrating Lotion.

## FEATURED INGREDIENTS AND BENEFITS

### Sucrose:

Raw cane sugar that can be used as a physical exfoliant.

### Sweet Almond Oil (*Prunus Amygdalus Dulcis*):

Softens and conditions, helps balance water loss and absorption. Soothes dry, irritated skin.

### Jojoba Esters (Soft Beads):

"Melt" with natural body temperature when massaged into the skin to add extra conditioning.

### Jojoba Seed Oil (*Simmondsia Chinensis*):

Deeply penetrating natural oil for excellent moisturizing and conditioning. Jojoba oil acts like a carrier to increase penetration of other ingredients.

### Vitamin E (Tocopheryl Acetate):

Antioxidant known to neutralize free radicals associated with premature aging of the skin; softens and moisturizes.

### Shea Butter (*Butyrospermum Parkii*):

Superior skin conditioner with naturally occurring vitamins E and A (excellent antioxidants) and excellent softening properties.

## DIRECTIONS FOR USE

- Apply a small amount to hands and gently massage for 1-2 minutes.
- Rinse hands with clean water or remove with a moist, soft sponge.
- Dry with a towel.

CND offers comprehensive education opportunities. Check the education section of [cnd.com](http://cnd.com) for a course near you.

## CREATIVE SUGGESTIONS

- Great for all-over body exfoliation.
- Recommend home use to maintain soft, silky skin between professional manicure services.
- Affordable gift item; excellent retail opportunity.

## INGREDIENTS

Helianthus Annuus (Sunflower) Seed Oil, Sodium Chloride, Prunus Amygdalus Dulcis (Sweet Almond) Oil, Sucrose, Simmondsia Chinensis (Jojoba) Seed Oil, Cera Alba (Beeswax) (Cire D'abeille), Silica, Parfum (Fragrance), PEG-100 Stearate, Glyceryl Stearate, Butyrospermum Parkii (Shea) Butter, Tocopheryl Acetate, Jojoba Esters.

## AVAILABLE SIZES

- Retail/Professional: 95 g (3.4 oz)
- Professional: 495 g (17.5 oz)  
1000 g (35.3 oz)

# ALMOND ILLUMINATING MASQUE

ESCAPE. EXHALE. RELAX.

## WHAT IT IS

Shimmering hand masque deeply conditions and refines with a nourishing blend of sweet almond and jojoba oils and vitamin E.

## WHAT IT DOES

- Deeply moisturizes skin with sweet almond oil, jojoba oil and vitamin E.
- Cosmetic-grade mineral oil adds a protective layer during the treatment.

## WHY YOU NEED IT

- Elevates the manicure experience with a luxurious conditioning treatment.

## FEATURED INGREDIENTS AND BENEFITS:

### Sweet Almond Oil (*Prunus Amygdalus Dulcis*):

Softens and conditions, helps balance water loss and absorption. Soothes dry, irritated skin.

### Jobba Seed Oil (*Simmondsia Chinensis*):

Deeply penetrating natural oil for excellent moisturizing and conditioning. Jojoba oil acts like a carrier to increase penetration of other ingredients.

### Vitamin E (Tocopheryl Acetate):

Antioxidant known to neutralize free radicals associated with premature aging of the skin; softens and moisturizes.

### Mineral Oil (Cosmetic Grade):

Non-irritating, effective moisturizer that promotes hydration during treatment.

## DIRECTIONS FOR USE

- Apply a thin layer of the masque to the top of both hands and fingers. Wrap with warm towels or heated manicure mitts.
- After 3-5 minutes, remove towels/mitts and remove masque with clean water and a moist, soft sponge.
- Dry with a towel.

CND offers comprehensive education opportunities. Check the education section of [cnd.com](http://cnd.com) for a course near you.

## CREATIVE SUGGESTIONS

- Apply to hands with a disinfected facial applicator brush for a more refined service.
- As an alternative, use a professional lotion heater to gently warm masque and then drizzle on hands.

## INGREDIENTS

Paraffinum Liquidum (Mineral Oil) (Huile Minérale), Helianthus Annuus (Sunflower) Seed Oil, Isononyl Isononanoate, Ethylene/Propylene/Styrene Copolymer, Prunus Amygdalus Dulcis (Sweet Almond) Oil, Simmondsia Chinensis (Jojoba) Seed Oil, Oleth-5, Polysorbate 60, Dimethicone, Parfum (Fragrance), Butylene/Ethylene/Styrene Copolymer, Tocopheryl Acetate, Aqua (Water) (Eau), Mica, Titanium Dioxide, Ceteth-10, Laureth-4, Trisiloxane.

## AVAILABLE SIZES

- Retail/Professional: 73 g (2.5 oz)
- Professional: 378 g (13.3 oz)  
765 g (27 oz)

# ALMOND HYDRATING LOTION

(Formerly SolarSilk™)

ESCAPE. EXHALE. RELAX.

## WHAT IT IS

Silky hand & body lotion is a whipped blend of jojoba oil and vitamin E. Leaves a soft, satin feel and light almond fragrance.

## WHAT IT DOES

- Jojoba oil carries vitamin E deeply into the skin to help reduce visible signs of aging. Naturally light oils keep skin soft and supple.
- Light, fast-absorbing formula.

## WHY YOU NEED IT

- To enhance the massage portion of a manicure service.
- To expand your retail opportunities: send home with clients after each manicure service.

## FEATURED INGREDIENTS AND BENEFITS

### Jojoba Seed Oil (*Simmondsia Chinensis*):

Deeply penetrating natural oil for excellent moisturizing and conditioning. Jojoba oil acts like a carrier to increase penetration of other ingredients.

### Vitamin E (*Tocopheryl Acetate*):

Antioxidant known to neutralize free radicals associated with premature aging of the skin; softens and moisturizes.

### Sunflower Seed Oil (*Helianthus Annuus*):

Softens and conditions.

### Glycerin:

Derived from vegetable oil; used for its powerful hydrating attributes. Absorbs quickly into the skin and acts like a moisture magnet by attracting water into the skin and holding it there.

## DIRECTIONS FOR USE

- Massage into hands and arms until completely absorbed.

CND offers comprehensive education opportunities. Check the education section of [cnd.com](http://cnd.com) for a course near you.

## CREATIVE SUGGESTIONS

- Offer a full Almond SpaManicure service utilizing the entire family of Almond products for a soothing experience.
- Affordable gift item; excellent retail opportunity.

## INGREDIENTS:

Aqua (Water) (Eau), Cetearyl Alcohol, Dimethicone, Simmondsia Chinensis (Jojoba) Seed Oil, Helianthus Annuus (Sunflower) Seed Oil, Isopropyl Myristate, Glycerin, PEG-100 Stearate, Glyceryl Stearate, PPG-3 Benzyl Ether Myristate, Tocopheryl Acetate, Panthenol, Steareth-20, Steareth-10, Caprylyl Glycol, Tetrasodium EDTA, Parfum (Fragrance), Phenoxyethanol, CI 19140 (Yellow 5).

## AVAILABLE SIZES

- Retail/Professional: 236 mL (8 fl oz)
- Professional: 975 mL (33 fl oz)

# SEA SCRUB

## WHAT IT IS

Aromatic foot scrub with quartz crystals and marine alpha-hydroxy acid for dual exfoliation of rough, dry skin on the soles of the feet.

## WHAT IT DOES

- Physically exfoliates with two different types of quartz crystals.
- Chemically exfoliates with marine alpha-hydroxy acid.
- Prepares calluses for targeted exfoliation with Sea Serum.

## WHY YOU NEED IT

- Smooths and softens rough, dry soles.
- Provides the aromatherapeutic benefits of natural peppermint oil.
- Rinses easily from the skin.

## FEATURED INGREDIENTS & BENEFITS

### Lactic Acid/Malic Acid/Algae Extract Ferment:

Highly effective alpha-hydroxy acids (A.H.A.'s) that are deeply penetrating, moisturizing and exfoliating. Algae extract ferment is a natural A.H.A. solution derived from marine micro-algae.

### Quartz:

Natural crystals. The rounded form is used as a gentle skin exfoliant.

### Peppermint Oil (Mentha Piperita):

Natural, highly fragrant oil used for its aromatherapeutic benefits. Cooling to skin.

### Aloe Barbadosensis Leaf Juice:

Known for its ability to hydrate and soften skin. Penetrates the skin, supplying moisture directly to the tissue.

### Bentonite:

Micro-fine clay that conditions and cleanses. Also used to thicken products.

## DIRECTIONS FOR USE

- Smooth Sea Scrub along the sole and heel of the foot.
- Gently massage for 2-3 minutes.
- Rinse in footbath.
- Tested and approved for whirlpool tub use.

## CREATIVE SUGGESTIONS

- Sea Scrub prepares the skin for more effective exfoliation with Sea Serum.
- Great for use on elbows and other dry areas that need exfoliation.
- May be too aggressive for use on sensitive areas of the body (i.e., top of feet, legs).

## INGREDIENT LISTING

Aqua (Water) (Eau), Glycerin, Bentonite, Quartz, Lactic Acid, Algae Extract, Aloe Barbadosensis Leaf Juice, Mentha Piperita (Peppermint) Oil, Cocamide DIPA, Malic Acid, Sodium Hydroxide, Caprylyl Glycol, Sclerotium Gum, Limonene, Phenoxyethanol.

## AVAILABLE SIZES

- Retail/Professional: 552 g (19.5 oz)
- Professional: 2182 g (77 oz)

# SEA SERUM™

## WHAT IT IS

Alpha-hydroxy acid serum for breaking down tough calluses. Professional use only.

## WHAT IT DOES

- 20% alpha-hydroxy acid complex breaks the bond between dead skin cells in tough calluses.
- Seaweed polysaccharides counterbalance the potentially irritative effects of A.H.A.'s.

## WHY YOU NEED IT

- Regular use helps inhibit the development of calluses over time.
- Thick formula allows for safe, controlled application.
- For use with the CND Callus Smoother.

## FEATURED INGREDIENTS & BENEFITS

### Lactic Acid/Malic Acid/Algae Extract:

Highly effective alpha-hydroxy acids (A.H.A.'s) that are deeply penetrating, moisturizing and exfoliating. Algae extract is a natural A.H.A. solution derived from marine micro algae.

### Chamomilla Recutita (Matricaria) Flower Extract:

Natural botanical agent known for its anti-inflammatory and anti-irritant properties. Effective in soothing skin.

### Witch Hazel Extract (Hamamelis Virginiana):

Astringent and anti-inflammatory agent.

### Aloe Barbadensis Leaf Juice:

Known for its ability to hydrate and soften skin. Penetrates the skin, supplying moisture directly to the tissue.

## DIRECTIONS FOR USE

- Soak feet for 3-5 minutes before application.
- Carefully apply Sea Serum to calluses and dry spots on the foot with a plastic-backed cotton pad or spatula. Rinse fingers after applying.
- Wrap the foot in a clean towel and let sit for 5 minutes.
- Unwrap the foot and run a Callus Smoother over callused areas in circular motions to reduce and smooth calluses.
- Rinse and towel dry the foot.

CND offers comprehensive education opportunities. Check the education section of [cnd.com](http://cnd.com) for a course near you.

## CREATIVE SUGGESTIONS

- We recommend Sea Serum as a professional treatment for use only in spas and salons.
- Prepare skin with Sea Scrub and rinse prior to applying Sea Serum for comprehensive exfoliation.

## INGREDIENT LISTING

Aqua (Water) (Eau), Hamamelis Virginiana (Witch Hazel) Extract, Lactic Acid, Alcohol, Sodium Hydroxide, Saccharide Isomerate, Hydroxyethylcellulose, Chamomilla Recutita (Matricaria) Flower Extract, Algae Extract, Aloe Barbadensis Leaf Juice, Malic Acid, Propylene Glycol, Sodium Acetate, Caprylyl Glycol, Sodium Benzoate, Phenoxyethanol.

## AVAILABLE SIZES

- Professional: 236 mL (8 fl oz)

# CUCUMBER HEEL THERAPY

## WHAT IT IS

An intensive moisturizing complex with cucumber extract, chamomile and aloe to aid in the repair of dry, cracked skin.

## WHAT IT DOES

- Deeply moisturizes with allantoin and urea.
- Helps calm irritation with cucumber extract, chamomile and aloe.
- Helps improve elasticity with panthenol.

## WHY YOU NEED IT

- Relieves the effects of severe dryness on heels and other parts of the body.
- Daily use provides noticeable improvement in a short time.
- Concentrated formula can be used sparingly (cost-effective).

## FEATURED INGREDIENTS & BENEFITS

### **Cucumis Sativus (Cucumber) Fruit Extract:**

Known for its moisturizing, soothing, refreshing and anti-inflammatory properties.

### **Chamomilla Recutita (Matricaria) Flower Extract:**

Natural botanical agent known for its anti-inflammatory and anti-irritant properties. Effective in soothing skin.

### **Aloe Barbadensis Leaf Juice:**

Known for its ability to hydrate and soften skin. Penetrates skin, supplying moisture directly to the tissue.

### **Panthenol (Pro Vitamin B5):**

Highly effective moisturizing and softening agent, known to improve skin elasticity.

### **Allantoin:**

Soothes dry, damaged skin. Known for its anti-irritant properties.

### **Urea:**

Increases absorption of active ingredients, relieves itching and softens skin. Recommended by many dermatologists for severe dry skin. Regarded as a true moisturizer rather than a humectant, as it attracts and retains moisture in the corneum (upper skin) layer.

## DIRECTIONS FOR USE

- Apply to heels and other dry areas daily.

CND offers comprehensive education opportunities. Check the education section of [cnd.com](http://cnd.com) for a course near you.

## CREATIVE SUGGESTIONS

- For extra relief, apply at bedtime and slip on some cotton socks.
- Excellent retail opportunity; use daily to maintain pedicure.

## INGREDIENT LISTING
